The electrical works will now on 7th February 2013 and residents have received notification of this plus Christmas cards from Freshwater.

Councillor Wheeler has emailed the RRA to offer to attend the meeting. We will set the dates and MC will invite him to come to a meeting to talk about the traffic (either of the first 2 meetings of the year). There is a traffic survey currently being conducted but we will follow up with Cllr Wheeler. The Evening Post has shown some interest so this will be another avenue to follow if needed. The Tram works will see some closures to Wilford Lane which may affect traffic.

The 'super surgery' has been approved and we will also need to find out about new bus routes.

Addendum: Cllr Wheeler will attend on 28th January.

Site audits:

Inside the blocks – all very clean and no maintenance problems but desperately ready for decoration. Gardens have been tidied and leaves swept as much as possible. Doors in the pits have been washed down. Situation with the lock has been resolved. MC will ask that residents are notified when there are issues so they can take their own additional measures.

Christmas Cards put up from Gill for all residents in the lobbies and one has been given to the maintenance team with our thanks.

CG – phoned council today to ask for Wilford Lane to be cleaned – it's over-run again and CG has noticed there are leaflets around encouraging residents to 'employ' the council to do maintenance work. She will follow this up tomorrow.

Dates been set for all of next years' meetings and dates set for events – to issue via notice boards. MM will publicise Games Night and Quiz Night.
