

Rivermead Resident's Association

Minutes of meeting held on 21st January 2014

Present

MC, NP, GC, MA, TMc, MM

Road crossing

The request for a new refuge along Wilford Lane is "on the list" and is due to be reinstated during the Easter holidays, but in a slightly different place.

Decorating works

General discussion about the poor workmanship (again!) of the decorating and bad finishing. There is not surprisingly a large snagging list. Any extra cost?? There seems to be no prior warning to residents about the painting of individual front doors, which has resulted in poor overall work. When is the carpet due to be installed??

Newsletter

Items to be possibly included in the 2014 newsletter:

Refuge

Railing on the riverbank (due to be carried out)

Quiz night

Charity information

Statement from Freshwater regarding internal works etc

AOB

Wilford Lane is still observed as being untidy and needs to be kept in a better condition regarding weeds, litter etc.

The selling of second hand cars is still ongoing at the Social Club site.

GP surgery is progressing (due to open in August).

Possible summer party on 13th/14th September??

Date of next meeting
