

Rivermead Residents Committee Meeting, 21st August 2017

Present: Pam (Chair), Gill, Marie, Tim, Julian and Louise
(notes)

Apologies: Marilyn

Main Points of the meeting:

- Daz and Tony have now left. A temporary caretaker- Andrew is currently in place and it is hoped a gardener/ handyman to support Andrew will be hired shortly.
- The riverside garden has now reopened (with the dangerous area fenced off).
- The car park markings have recently been re painted.
- Should anyone have water backing up in their sinks or showers please see Andrew who has some solution to put down drains.
- It is recommended that some doors are upgraded in order to offer better protection in the event of a fire. More information on this will follow. Fire safety will be an agenda item at the AGM meeting, following Freshwater looking into this in light of the Grenfell Tower fire.
- Communication with residents will be improved and a letter will be sent by Freshwater informing residents of recent changes that have taken place.
- The AGM will take place on 30th October, 7:30pm at the beaches (tbc), all welcome.
